

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions and a cross-section.

Dimensions:

- Overall length: 373
- Distance from left end to center of circular feature: 250
- Distance from left end to center of circular feature (alternative measurement): 79
- Distance from center of circular feature to right end: 87
- Radius of circular feature: R55
- Distance from center of circular feature to right end (alternative measurement): 60
- Distance from center of circular feature to right end (alternative measurement): 90
- Distance from left end to center of circular feature (alternative measurement): 27
- Distance from left end to center of circular feature (alternative measurement): 2"
- Distance from left end to center of circular feature (alternative measurement): 2"
- Distance from left end to center of circular feature (alternative measurement): 1"

Section:

- Section 5: A cross-section view of the part, showing a circular feature with a diameter of 5.
